Sorry ☺

I got the documents from the archive department on Friday. I will send over the discovery packet by the end of the week.

My sincere apologies.

Thanks

Annie

Hi Annie:

How are you? Sorry to bother you but I am following up on my discovery compliance in the above referenced matter and I am in need of your lab testing notes in the above referenced matter. The lab # is [REDACTED] and the substance is 854.90 grams of cocaine that was tested on 3/8/06. You were the "Primary" and Della Saunders was the "Confirmatory". If my recollection is correct, I had made a request last month but because it is an old "Melendez-Diaz Retrial," you indicated you have to send for the notes. I never heard anymore and so I just thought I would check with you. We have a MTS date of 10/24/11 so I need the records before then, if possible.

As always, thanks for your help.
